

Parent Student Teacher Organization
Marjory Stoneman Douglas Elementary School Cambridge

PSTO Membership Invitation 2023 – 2024

Dear Parents and Guardians,

The **PSTO** (Parent Student Teacher Organization) is a private, not-for-profit organization determined to promote quality education and a nurturing environment for every MSD student. We are presently conducting our **Annual Membership Drive** and are counting on your support to make it a success. Our children directly benefit from many wonderful programs and activities due to families contributing to our annual membership drive. When you get involved with the PSTO, the child who benefits most is your own.

The membership dues to join our PSTO are **ONLY \$10.00 per family**. You can show interest in your child's education by joining our organization. *Members are not required to attend meetings or to participate as a volunteer*; but together as a team, we become advocates for our children's education. The Volunteer Form will provide details if you are inspired to be more actively involved.

We all have one common goal - to make a difference in the lives of our children and their education.

Our goal is to have 100% Membership in every classroom with each student represented!

**The first class from each grade level to achieve 100% membership will
WIN a Treat Party plus a special gift for the classroom teacher!!!**

Please visit our website at MSDElementaryPSTO.MemberHub.com/Store or use the QR code below with your mobile phone or tablet's camera to purchase your PSTO membership.

Be sure to purchase your membership by **September 30, 2023** in order to help your child WIN the contest!

Note: If you have more than one child, be sure to select the correct number of students and provide all the children's names, grade level and teacher's names so that credit can be given to all classes for the 100% membership contest.

If you are unable to purchase your membership online, please send an email to MSDElementaryPSTO@gmail.com for assistance.

Thank you!
